B
BARBARO
FENCING COMPONENTS

Barbaro Fencing Components is South Australia's leading fencing components manufacturer.

Barbaro Fencing Components was founded as J Barbaro & Sons in 1979 by Joe Barbaro and family. Since then we have supplied the fencing and manufacturing industries with the best in steel fencing and building components, as well as servicing businesses with their general engineering needs. In 2022 the rebrand commenced and Barbaro Fencing Components was born.

We are committed to providing you with the same exceptional service that you know and trust, with the same friendly faces that you have known over the past 40 years.

Come into our factory in Wingfield to see how we can help you today.

Address	19-23 Graham Street, Wingfield SA 5013
Phone	(08) 8345 3299
Website	barbarofencing.com.au
Email	admin@jbarbaro.com.au

What we can offer you:

40 YEARS EXPERIENCE
With over 40 years experience, our tried and tested methods mean no waste of your valuable time and resources.

TIME IS MONEY
At Barbaro Fencing Components, we provide a high quality service to all customers, big or small. When an order is placed with us we understand that time is money, so we do our very best to provide what you need as quickly and efficiently as possible.

QUALITY MATERIALS
As we only use quality materials, you can be assured that all products are made to suit our harsh Australian climate.

WIDE RANGE
Our large range of stock on hand can prepare you for most fencing jobs with just one visit to our factory outlet.

TEAM WORK
As you know, some jobs can be time consuming, so we like to work with you to find the best and most economical way to produce your product.

ENGINEERING SELECTION
We have a wide selection of engineering machinery for punching, guillotining or welding to help you get the professional finish you need.
